

Greetings from New Life Lutheran Church (NLLC) Menomonie, Wisconsin!

We are in the process of calling a vibrant new Pastor to lead our church family. Our Pastor has recently retired, and we are in prayerful consideration to listen to God's leading and calling for our next partner in the gospel. We are looking for a pastor with a heart for Jesus and the call of Christ to make disciples of all nations. One of our strengths is our friendly church family relationships, centering on traditional values. With that in mind, our focus is on bringing others to Christ. We love to include, welcome, and invite people to the adventure of knowing Jesus.

NLLC is located in the scenic Chippewa Valley region in Menomonie, Wisconsin. Menomonie is a city surrounded by lakes, streams, and woodlands with a population of more than 16,400 people. It is a growing community strong with industry and manufacturing businesses and boasts the beautiful campus of the University of Wisconsin-Stout as well as a satellite campus for Chippewa Valley Technical college. We are privileged to have state-of-the-art medical facilities including multiple clinics and a hospital, a beautiful library overlooking the shores of Lake Menomin, and an excellent K-12 public school system.
