

Cadence Hospitality House Director

Cadence International missionaries share their lives and the Gospel with military members and their families through the powerful medium of hospitality ministry. If you enjoy opening your home to others for the purpose of encouragement, connection, and fellowship, then Cadence hospitality house ministry might be a great fit for you.

Cadence International is an evangelical mission agency dedicated to reaching the military communities of the United States and of the world with the Good News of Jesus Christ.

We were made for community, and a hospitality house is a place where deep, transformative community is created and experienced. Military members find an open door, a welcoming smile, a comfortable couch, a home-cooked meal, and people who listen, encourage, love, and point them to the hope of Christ. We share the ups and downs of life with military people, encouraging them into deeper relationships with Christ and others. It is often a life changing, course-altering experience that equips them to be faithful followers of Jesus Christ.

Ministry at a hospitality house ranges from Bible studies (singles, married, young families and other seasons of life), to evangelism and outreach, one-on-one discipleship, mission trips, retreats, excursions, and various activities designed to foster healthy Christ-centered community.

If you have a desire to make a difference in the lives of military people by sharing the love of Jesus Christ through the powerful medium of hospitality ministry, then Cadence may be a great fit for you and your family.

Cadence International is a *faith-based* ministry requiring their missionaries to raise their monthly support through friends, family, and church community. All appointed missionaries are partnered with an MPD coach (Ministry of Partnership Development) to encourage and guide them through this process. We have repeatedly witnessed the generosity of God and His people as our staff take this faith-building MPD journey.

We presently have hospitality house ministry opportunities across the United States, Europe, and Japan. Previous military experience is not required; many of our staff have not served. All of us have hearts for the military.
