La Casa de Cristo family is composed of many people from many different backgrounds, all of whom enrich our life together. Most visitors express an interest in knowing what we believe and how we are both similar to and different from other churches.

We encourage our La Casa family to get involved through these four areas:

- Connecting in a Group, finding your place within our many ministries
- Serving Strategically, discovering ways you can serve others
- Inviting Others, inviting a friend to worship with us in person or online
- Giving Systematically, offering your time, talent, and resources

All of our visitors, in person and online, come from different backgrounds or no spiritual background at all, and we celebrate that diversity. Your questions are always welcome. If you would like to learn more about us or if you have specific questions, we would love to hear from you.
