

Ness Avenue Baptist Church is seeking a Full Time Associate Pastor of Youth and Family Ministries who will lead the Youth Ministry at Ness and will oversee the span of ministry from Nursery to College; including the children's summer ministries and church internship program.

Ness Avenue Baptist Church is affiliated with the Baptist General Conference of Canada. We are an inter-generational community of about 200 regular attendees. The Lord has blessed us with piles of kids, from the little ones all the way up to the oldest kids, our seniors. We love to serve together, eat together, worship together, and reach out beyond our walls together. With deep roots in the St. James neighborhood of Winnipeg, we are a church with a heartbeat for community.

The Associate Pastor will work alongside the Lead Pastor to shepherd and implement the mission and vision of Ness Avenue Baptist Church. He will be a servant leader who instills vision and develops a passion for Jesus and His church.

He will handle some of the administrative duties of the church as well as assist the Lead Pastor with Pastoral care as needed.

As Pastor of Youth and Family Ministries he will be required to preach, teach, and provide spiritual direction, counseling, visitation, administration, and leadership for the above ministries.
