The Role: Site Pastor

Meet Trinity Lutheran Church:

Trinity got started in 1960 with one simple goal: to introduce other people to Jesus. For us, church isn't a place we go to, but a calling that we embrace: to be the hands and feet of Jesus in the places where we live, work, and play.

Since that time, we have grown into a multisite congregation serving the greater Chicago area, and we would love to have you join us. Each week we gather at one of our three locations to worship God, learn from His Word, and connect in community. And then, throughout the week we meet in small groups to study Scripture together, build relationships, and serve our wider communities. We invite you to get to know the community at each site a little more.

Trinity Lutheran Church - Site Pastor

About the Site Pastor:

When you ask us what we do at Trinity, you won't just get a job description; you're called into a mission. We believe that every person is meant to experience the deep, transformative, and abundant life that only Jesus can give. Our calling is to be ambassadors of that mission who meet people where they are at, invite them into deeper relationships with God and one another, in order that they might experience the kind of transformation that comes from walking with Jesus.

That's why Trinity is a multi-site church committed to helping people look, live, and love more like Jesus. And when you join our church, you aren't saying yes to a job, you are joining a mission. We are currently looking for a Site Pastor to grow with us.
