

Evangelical Mennonite Brethren Church of Marion, SD is looking for a part-time male pastor.

Duties would include Sunday morning service with some visitation as needed.

We are looking for someone to preach 42 Sundays per year with 10 Sundays off during the year. Salary negotiable. This would be a good opportunity for a semi-retired or older person.

We are a rural country church 5 miles west and 1 north of Marion, SD, with a small elderly congregation that does like to participate in the service itself so this person would not be required to do everything in the service.

We have an adult Sunday School class that we rotate topics and leaders throughout the year.

Please contact Roger at 605-648-3737 or cell 605-360-9418 with any questions.
