### How to Apply / Contact

**Joseph Gonzalez, Spiritual Care Coordinator**

Phone: (215) 922-6400 x1027

Email: [joseph@phillyhouse.org](mailto:joseph@phillyhouse.org)

At Philly House, we open our doors every day with a welcoming spirit of Christian compassion, walking alongside the homeless, hungry and hurting of Philadelphia so that they may experience the love of God by acts of mercy, dignity and respect. More than just a safe space, warm bed and a hot meal, we empower everyone we serve through deep, intentional engagement with compassionate programs and trauma-informed care, activating their God-given potential for life transformation.

If you are either taking classes this fall online or in person, or a recent graduate from an accredited Seminary or University we want to offer you an extraordinary opportunity to put what you've gained academically into planting seeds amidst the homeless, hungry and hurting. What we are looking for is a participant who will be committed to:

- 1) Meet weekly with our Spiritual Care Coordinator to discuss the Spiritual Care growth strategy towards our residents.
- 2) Help cast vision for ongoing Spiritual Care needs.
- 3) Assists weekly morning devotionals alongside supervision.
- 4) Shadow/participate in weekly Spiritual Care groups under leadership of the Spiritual Care Coordinator.
- 5) Gain experience in conducting Spiritual Assessments with residents.
- 6) Attend weekly field trips with the Spiritual Care Coordinator and residents.
- 7) Demonstrate a living example to our long-term shelter residents regarding an active life with Jesus.
- 8) Engage in other ministry opportunities as assigned.

The purpose of the Philly House Spiritual Care Internship Program is to ignite a passion for serving those experiencing homelessness including trauma, crisis, and spiritual hunger. In addition, to develop within you an everyday incarnational mindset that Spiritual Care is humbling, sacrificial, and deeply satisfying.

**Application deadline August 30<sup>th</sup>, 2024.**
