

## **Bismarck Baptist Church Job Posting: Senior Pastor**

Bismarck Baptist Church of Bismarck, North Dakota, is seeking an experienced Senior Pastor. We are a caring and generous congregation that is progressive in its outreach to the community while encouraging and ministering to the members within. Our desire is to find a pastor who possesses a commitment to the development of leaders in order to enable members to put their faith into action. We are looking for a pastor who shares a passion with us to be transformed to live life on mission, catalyzed by love.

Bismarck Baptist has been ministering in the community since 1912, affiliated with the North American Baptist Conference. Our believers consist of a healthy representation of youth, young families, and mature populations. In addition to our church, we have connections with ministries both local and abroad.
