Pastoral Ministry Opportunity

The **Evangelical Free Church of Wainwright (WEFC)** is a community of believers who are united in our Lord and Redeemer Jesus Christ. Our vision is “United in Jesus Christ as we grow UP, IN, and OUT.” We are prayerfully seeking God’s will and the Holy Spirit’s direction as we search for a full-time Pastor who will lead and shepherd our church to fulfill its vision.

Church Profile

WEFC is a multi-generational and multi-cultural church family long established in the community. Our church was first founded as a Gospel Mission Church, later becoming the WEFC in 1962. Outgrowing our former church, in 1979 we moved to our current location, into a new landmark cedar log building which seats 150+ people. Our average regular weekly attendance is approximately 120 people, with an on-line viewership of 20-30 people. We are a vibrant and growing congregation with 1/3 of our family under 13 years old!

The WEFC leadership structure was modified with the adoption of a new constitution in 2021, in that we are now led by a single council which may be comprised of both men and women. The constitution was adapted to better support the vision of our church, “United in Jesus Christ as we grow UP, IN, and OUT.” This vision aims to see the church grow to a ministry, in which our relationship with God, our relationship with one another, and our relationship with the world is fully developed and well balanced. With that in mind, we endeavor to serve and glorify God in the following fundamental areas of ministry: corporate worship, discipleship, mentorship and outreach. In support of that, we currently have the following weekly ministries: Sunday morning service that includes Children’s Church, small group discipleship for adults, Youth Group, College & Career group, and Ladies Prayer group. Annually we support the following: Vacation Bible School, Youth Sports Camp, Church at the Lake, Manitou Lake Bible Camp, Samaritan’s Purse-Operation Christmas Child and other ministries in Canada and abroad.

Community Profile

The Town of Wainwright celebrated its centennial in 2008 and is a thriving prairie town in East-Central Alberta. With a population of approximately 6600, supplemented with an additional 1000+ from CFB Wainwright, our town is an important business center for neighboring rural communities servicing more than 50,000 residents. The major economic sectors are: Agriculture, Oil/Gas, and the Canadian Armed Forces Base. Wainwright offers a small-town feel while providing full business, health and recreational services.
