

HUNTERS RIDGE
Community Church

FULL-TIME PASTOR Opportunity Snapshot

Overview

Hunters Ridge Community Church of Hutchinson, Minnesota is seeking a full-time pastor. We are associated with the North American Baptist Conference of churches. Our church desires to grow in spiritual maturity, become better disciple-makers, and engage in gospel outreach and intentional missional living in our community.

Vision

Our vision is to engage with our community, share the Good News of Jesus, and invite others to follow Him in the here and now. We want to serve the families of our community with discipleship and biblical literacy opportunities for all, especially for the next generation.

➔ Call Profile

We seek a pastor whose calling, skills, and passions would enable and equip our church to achieve our vision as we seek to live out the Great Commandment and the Great Commission. We place a high priority on faithful preaching, teaching, and application of the inerrant Word of God into our lives. As a preacher, teacher, servant-leader, and shepherd, the pastor will help prepare, train, and inspire the saints for the work of the ministry and invest in training the next generation of leadership in the church. As our pastor, you will work with church leadership to love, lead, guard, and guide the flock under your care.
