

### **City Line's Vision**

By God's grace, we want to be a people who are inviting, and a place where people feel invited. We want to grow in our belonging to God and to one another. And we desire to grow in our wonder about, and our wonder at, God. Inviting. Belonging. Wondering.

### **City Line's Core Values**

**Worship:** that glorifies God and center on Christ, helps people experience God where they are at, is skillful and creative, leverages the power of habits and rituals, unites the community, is led by the community, engages and redeems all of who we are, engages and grows all of how we relate to God, honors the past and also enjoys the present.

**Community:** that is characterized by diversity and inclusivity in Christ, supporting and serving one another, doing life together, knowing and being known with purpose and spiritual depth and with structures that support the organic development of relationships.

**Mission:** that is done locally and globally through word and deed with our partners and as our own community, informally as individuals, equipped and supported by the church and formally as a church organization, through awareness, prayer, finances, and volunteer participation, and done programmatically and relationally.
